Re-delimitation of Parliamentary and Assembly Constituencies in Delhi

*428. SHRI JAI PARKASH AGGARWAL: Will the Minister of LAW AND JUSTICE be pleased to state:

(a) the details of re-delimitation of the Parliamentary and Assembly constitiuencies on the basis of 2001 census of the State of Delhi;

(b) whether the Delimitation of Parliamentary constituencies of Delhi has been able to remove the disproportionate size of the constituencies; and

(c) the details of extent of all such constituencies in the State of Delhi?

THE MINISTER OF LAW AND JUSTICE (SHRI H.R.BHARDWAJ): (a) to (c) The Delimitation Commission has intimated that it had prepared a draft proposal after due deliberations with the Associate Members nominated by the Hon'ble Speakers of the Lok Sabha and the Legislative Assembly of the National Capital Territory of Delhi. Under section 9 (2)(a) of the Delimitation Act, 2002, the said draft proposals were published in the Gazette of India as well as the Gazette of Government of Delhi on 27.1.2006 inviting suggestions and objections from the public.

In accordance with the section 9(2)(c) of the said Act, the Delimitation Commission has also conducted Public Sittings at Talkatora Stadium on 21st and 22nd February, 2006 to hear the objections and suggestions of the public, political parties, etc. in connection with the said draft proposals in respect of NCT of Delhi. Draft proposals have also been posted in the Commission's *web-site www.delimitation.india.com.*

During the public sittings, the Commission had received a large number of representations regarding the delimitation of constituencies in the NCT of Delhi. The Commission has subsequently held a meeting with the Associate Members on 31.3.2006 to hear their views on the suggestions received at the public sittings. The Commission is in the process of examining the said suggestions for taking a final view before the issue of final orders delimiting the Parliamentary and assembly constituencies of the NCT of Delhi.

Under the provisions of the Delimitation Act, 2002, Commission has a mandate to readjust the boundaries of Parliamentary and Assembly

constituencies only on the basis of census figures, 2001 as published by the Registrar General and Census Commissioner, India. While doing so, the average population per Assembly Constituency and Parliamentary Constituency is taken into account to bring the said constituencies to a uniform size. A deviation of plus or minus 10% of the average population is adopted to ensure that administrative units are not unnecessarily broken whenever possible.
